RESUME SUMMERY

*I am a B.Tech Graduate specialized in Electronics and Instrumentation Engineering and currently pursuing a post graduation in “Master of Business Administration (MBA)” from “Indian Institute of Social Welfare and Business Management (IISWBM), Kolkata” under the affiliation of University of Calcutta. Apart from this I have **thirty nine months**’ industry experience as a **employee** of “Tata Consultancy Services Limited”. Currently I am looking for a job responsibility in MNC’s where my preferred role would be in **Market Research, Analytics, Customer Relationship Management, and Business Analytics or Public Relations** domain. I have a **sound knowledge** in **marketing, market research, sales and management** domain. My **Analytical mind** always hankers after solving critical problem using least possible resources. I am very **proficient** with any types of software tools and love to work with numbers and cases using **sequential and logical approach**. Apart from these, I have good communication and negotiation **power**. Overall, **creativity** is my trait.*
